About Me

I have recently graduated as a Junior full-stack Web Developer. I would describe myself as a hard-working and dedicated individual. I have a passion for learning new skills and am eager to become the most experienced and knowledgeable web developer that I can possibly be. To this end I am very disciplined in my study, and would like to form a partnership with a company comprised of like minded individuals experienced in Web Development to develop my skillset as rapidly as possible.

Skills

- Teamwork
- Leadership (experienced leader)
- People Skills
- Discipline
- Problem Solving

Tech Skills

- Ruby
- Ruby on Rails
- JavaScript
- React
- CSS
- HTML
- Bootstrap
